

# *Farm Security Warning Signs*

***Protect your property with visible warning signs ...***

Deterrence is an important tool in the fight against opportunistic theft. Highly visible signs advising that you have security cameras installed can go a long way in preventing on-farm theft and trespassing. Choose from our standard large format signs - or we can custom print size, colours and wording to your particular requirements.

**Standard format signs as below - single side printed on 5mm Corflute  
5 year weatherproof vinyl, anti UV protective coating ...**

- A4 - 225mm x 300mm (Landscape or Portrait) **\$ 20.00**
- A3 - 300mm x 400mm (Landscape or Portrait) **\$ 30.00**

*\*Additional postage costs apply - POA*
